ACTIVITIES

A second and a third source, who have furnished reliable information in the past, advised on November 5, 1968, that an individual identified as [REDACTED], of Cleveland, Ohio, had attended the founding conference for the Cleveland chapter of the Republic of New Africa (RNA) (see Appendix). These sources indicated the meeting was held at League Park Center, East 66th Street and Lexington Avenue, Cleveland, Ohio. u

b6
b7C

[REDACTED] Bureau of Special Investigation, Cleveland Police Department, advised on July 11, 1969, that [REDACTED] who was then using the title [REDACTED] recently formed a new group referring to itself as Operation Black Unity. [REDACTED] said that this group was formed with the objective of obtaining black ownership of businesses in the ghetto and were demonstrating against McDonalds Systems in an effort to force McDonalds to sell their ghetto franchises to Negroes. u

b6
b7C

The third source advised that Operation Black Unity contained both militant and moderate civil rights groups, and this is indicated by the fact that [REDACTED] of the Cleveland Federation of Black Nationalists (see Appendix) and [REDACTED] of the NAACP, were co-[REDACTED]. Source stated that dual signatures were needed for checks to be issued. He said this was partially motivated by the fact the members did not trust [REDACTED]. u

b6
b7C

The third source advised on September 18, 1969, that [REDACTED] had raised in excess of \$58,000 through his Operation Black Unity activities directed against McDonald Hamburger Systems. This source advised that [REDACTED] did not return this money to the individual contributors, despite the fact they were not awarded McDonald franchises. [REDACTED] told the contributors that he had spent the money and gave an accounting showing that he had spent \$55,000 for various personal enterprises. This source stated that the nationalists were sick of [REDACTED] bilking of people and lining his pockets with money, and he would not be surprised if [REDACTED] should be

killed in the near future. U

The October 8, 1969, issue of THE PLAIN DEALER, Cleveland daily newspaper of general circulation, indicated that DAVID HILL, pastor of the House of Israel, had been indicted on four counts of blackmail involving his activities against the McDonalds System, Inc., of Chicago, Illinois. Ohio Common Pleas Court Judge JOHN L. ANGELOTTA, on October 8, 1969, ordered HILL to Lima State Hospital for psychiatric examination. This same article pointed out that on January 9, 1965, Judge ANGELOTTA had sentenced HILL to Lima State Hospital. The article also referred to HILL's history of mental troubles. U

b6
b7C

An article appearing in THE PLAIN DEALER on October 23, 1969, revealed that DAVID HILL had been declared legally sane and was released on \$1,000 personal bond after pleading innocent to the charges of blackmail. U

The third source advised that he had learned [redacted] had given HARLEL JONES, leader of the Black Nationalist Party for Self-Defense (see Appendix) a crate of carbines which JONES moved into the basement of the Afro Set at 8803 Hough Avenue, Cleveland. According to source, [redacted] claimed he had \$10,000, half of which he was giving to HARLEL JONES and the other half to [redacted]. U

b6
b7C

[redacted] advised on January 13, 1970, that [redacted] continued to be active in the Cleveland inner city area promoting various fraudulent schemes to make money. He said the Cleveland Police Department sources indicated [redacted] had no stature among the Cleveland black extremists and is considered to be nothing more than a con man. U

b6
b7C

[redacted] also known as [redacted] advised on April 9, 1970, that he had received information that HARLEL JONES had received two crates of carbines from [redacted] of the House of Israel. [redacted] said he understood these weapons had been placed in the Afro Set at the time JONES received them, which was supposedly sometime ago. U

b7C

~~CONFIDENTIAL~~

[redacted]

On April 30, 1970, [redacted] also known as [redacted] was interviewed at Cuyahoga County Jail, Cleveland, Ohio, at which time she advised that she had heard that [redacted] had furnished crates of carbines to MARLEL JONES in the past. She could not recall the exact date when this was supposed to have occurred but believed it was in the fall of 1969. She said she also knew from personal knowledge that [redacted] had furnished weapons to [redacted], also known as [redacted] and [redacted], also known as G-2, [redacted].

b6
b7C
b7D

The third source and [redacted] advised on April 30, 1970, that they would characterize [redacted] as being strictly a con artist. The third source advised that [redacted] had not been as successful in his recent money making schemes as he had been in the past. He attributed this to the fact people in the inner city divorced themselves from [redacted] and his schemes.

1

A source has advised that the Republic of New Africa (RNA) is an all-Negro organization founded in Detroit, Michigan, in March, 1968. [redacted], who was then residing in Peking, China, was named as its President-in-Exile. [redacted] fled the United States in 1961 following issuance of a local warrant for his arrest on a charge of kidnapping growing out of a racial incident in Monroe, North Carolina. He published and broadcast hate-type material in Cuba and China prior to his return to the United States in September, 1969.

A second source has advised that the purpose of the RNA is to establish an independent black nation within the United States, demanding the States of Alabama, Georgia, Louisiana, Mississippi, and South Carolina in addition to \$10,000 per black citizen as payment for 400 years of ancestral slave labor.

A third source advised on March 14, 1969, that an army of the RNA, known as the Black Legion, dedicated to black freedom and committed to the concept of systematic armed revolution, has been established. Black Legion members are expected to participate in military training and engage in firearms practice. The RNA plans to establish an underground Black Legion in addition to an aboveground Black Legion in order to avoid detection by the police.

According to this source, Black Legion members acting as bodyguards at a session of the Second National Convention of the RNA in Detroit, Michigan, on March 29, 1969, were involved in a shoot-out with members of the Detroit Police Department which resulted in the killing of one policeman and the critical wounding of another.

BLACK NATIONALIST PARTY
FOR SELF-DEFENSE OF NEW LIBYA,
aka., Afro American Set

A source advised on May 21, 1969, that this organization was founded by HARLLEL JONES in the Summer of 1967, and JONES is presently the leader. The organization consists of 20 - 25 members at this time. Headquarters for the organization is 8127 Superior Avenue, Cleveland, Ohio. The main teachings of this group are hatred of the white race, removal of all white control in Negro ghettos, and takeover of all operations in the Negro community by black people. The ultimate goal is to take over the city and the entire country by black revolution. There is no indication that this organization has ties with black nationalist organizations in other cities. This group has irregular meetings and there is no real formal organization.
